COMMENTS:

Jeri Pilk submitted an Untimely Reconsideration Request for failing to file her 2016 PFD Statement timely. Ms. Pilk stated she suffers from anxiety and depression; and she had to resigned from the Commissions for the Deaf due to the state of her physical and mental health. Her counselor has encouraged her to reach out to the BOE to try to explain her situation and get a better understanding of what she needs to submit in order to be complaint. However, she finds it difficult to do so, as her mental health makes it hard understanding things. Ms. Pilk has filed all of her missing disclosures and stated she did not have anything to hide. She currently doesn't have an income and has applied for disability benefits.

Ms. Pilk included a letter from the Felicianas' Youth of Distinction Behavioral Health Services and from the C.H. Thornton, the attorney representing her disability claim before the Social Security Administration.

To whom it may concern,

My name is Jeri Pilk and I am hoping this explains my confusion and anxiety on filing Tier 2.1 on time. I have nothing to hide on my financial disclosure. I had to drop off of the board I was on because of my physical and mental health. I was a parent representative for the Commission for the Deaf.

My counselor has been trying to encourage me to reach out to someone to try to understand what i needed to do because my anxiety and depression is making it hard to understand things.

I have no income right now, I am waiting on a decision from disability

Thank you,

Jeri Pilk

I am faxing the copy of papers that I filled out in January and mailed in. I didn't think to send it where a signature would be required, but I did keep a copy.

I am asking for my fees to be waved. I had to resign my position earlier this year because of my health and had to file for disability. I have no income right now.

I did not file income tax in 2017.

A handwritten signature in black ink, appearing to read "Jeri Pilk", written over the printed name.
